Praise The Lord

God is good all the time and all the time God is good! Our trip out West is complete, and we praise the Lord for His providence and for every opportunity He gave us to share His Word. There were some bumps in the road, but looking back at the big picture, it was awesome! God has shown us that our ministry is not about changing pro-choice people into pro-life people, but to see people come to know Jesus through the Sanctity of Human Life Message. We saw twelve people come to know Jesus this trip!

As 2006 comes to a close, we have realized how much God has blessed us with growth and how He has expanded our territories. There is such a burden, and urgency on all of our hearts

The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined. Isaiah 9:2

to take God's Word to the secular world; to the people of the United States who dwell in darkness, that the light of Jesus Christ, our Creator and Redeemer might shine on them!

We thank God for the privilege to visit 86 churches in 11 states this past year. We also thank Him for safe travels as we have traveled as far East as the coast of Virginia, and as far West as New Mexico and Colorado. We have logged over 20,000 miles in all, and almost 9,000 miles on the new van. As God expands our territories, He has given us a vision for 2007 to share more in schools and other public venues. While in Western, Kentucky we were able to join up with the Hell is Real Ministries at the Job Corp. campus located in Morganfield Kentucky. Students ages 16 to 24 attend classes and receive job training there. Every Thursday HR Ministries would serve them lunch and have a chapel

service for them. We joined them as often as we could, and our first Thursday in town we had the opportunity to share the gospel with these students through the Sanctity of Human Life message.

Unto us a child is born, unto us a Son is given. JESUS! And the government will be upon His shoulders: His name shall be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace. Of the increase of His government and peace there shall be no end.

His Glory Café

located in Cache, OK

There have been so many amazing things that have happened to us as we have traveled across the country, there is not room enough to tell them all, but one of our favorites was while we

were camping in the Wichita Mountain Wildlife Refuge in Lawton, Oklahoma. We had brought our camping supplies with us just in case, and though we had to spend a few nights in a tent, we had a really great time. God had a blessing in store. We were just in town to do our laundry when George Lonetree came over and said he'd cook dinner for us. We were sort of surprised since we had never met before. He and his wife are the owners of His Glory Café. They

wanted to share the blessings of the Lord though their talent of cooking, so they opened up this restaurant. They love to be used by God to be a blessing to others and they truly blessed us. As soon as you walk in, you can hear music that exalts the Lord and you can smell the delicious cooking. On each table are devotionals and inspirational books to glance through as you wait for your meal to be home cooked to order. The food is delicious, the service is the best, and God is honored at His Glory Café!

We are troubled on every side, yet not distressed; we are perplexed, but not in despair; Persecuted, but not forsaken; cast down but not destroyed.

(2 Corinthians 4:8-9)

Pro-life initiatives suffered a devastating defeat in the November elections. Planned Parenthood had the abortion ban in South Dakota placed on the ballot, and they were able to secure enough votes to vote down the ban. People are being deceived. This ban was voted on overwhelmingly by the South Dakota legislator after they

had reviewed a 72 page report that was a condensed version of a 3500 page report on the facts of abortion in this country. May the truth be proclaimed and lying lips be silenced. (Psalm 31:18) California and Oregon voted down initiatives that would have required parental notification and a waiting period for minors seeking an abortion. Missouri voted to allow human embryos to be cloned then destroyed for medical research and advancement. Now, more than ever, we as God's people need to **PRAY**. America needs revival.

Please especially be in prayer for

our 9 supreme court justices:

[Ruth Ginsburg, Stephen Breyer, John Paul Stephens, Antonin Scalia, David Souter, Anthony Kennedy, Clarence Thomas, Samuel Alito, and John Roberts].

The United States supreme court has begun to hear arguments regarding upholding the partial birth abortion ban. Partial birth abortions are performed after the 6th month of pregnancy, and are a breach delivery. The argument from the abortion industry to keep partial birth abortion legal is the ban does not make

provisions for the mother's health.

Babies who are born at 6 months live all the time, so the answer is; deliver the baby and do everything you can to save the mother and the baby's life, if the mother's health is in danger.

Brianna, now 7, was born prior to 6 months at 20 weeks. She weighed only 9oz and was appx. 9 inches long, less than the length of an unsharpened pencil. She is healthy and doing well!

PRAISES - We have so much to thank the Lord for this past year, but the greatest blessing for me is my sister Alba returning home from Spain and how God has touched her life and all our lives through her ordeal. It is more than I can write here, but due to circumstances beyond our control, she was held in Spain for over 8 months; through which the Lord sustained her and kept her safe. She came home October 11th. Thank you for your prayers! *Joli Cullen*

We also want to thank the Lord for His provision; we had housing, finances, food, health, and safe travels. He's given us closeness and unity in our family and we have all grown in the Lord. We are thankful for every life God has touched through the ministry, and 12 salvations! We want to also praise God for leading people to give that we might go; 13 monthly supporters in 2006. Our greatest need is prayer, and we especially thank God for the prayers of His people on our behalf! **Ephesians 3:20 Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto Him be glory!...**

YOUTH NEWS BY CLIFF CULLEN

BE A WATCHMAN

Challenge

Ezekiel 33:1-4,6

Again the word of the Lord came unto me, saying, son of man, speak to the children of thy people, and say unto them, when I bring the sword upon a land, if the people of the land take a man of their coasts, and set him for their watchman: if when he seeth the sword come upon the land, he blow the trumpet, and warn the people; then whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head.

But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; ... their blood will be required at the watchman's hand.

We as youth need to rise up and take a stand and be the watchman for our country.

We need to first of all **pray**.

(1 Timothy 2:1-2)

A youth group in Madisonville, Kentucky meets every Monday at 4:00pm at the courthouse to pray. Check out the following website www.bound4life.com.

CHILDREN'S MINISTRY

We have really enjoyed ministering through the children's puppet ministry. As we have traveled we have met many wonderful children, some from different nationalities, all of them special and unique. They are all a blessing to us!

In Western Kentucky we had 2 opportunities to speak to all ages, and the Holy Spirit really moved in those services. Children & teenagers face so many challenges today, and we want them to know they are a special creation of God, and He has a plan for their lives.

Thank you for praying for us and helping us to go!

Crystal, Caitlyn & Joli

Did you know Rudolf & the Darwin fish were so similar?

1. Both are connected to old men with white beards.
2. Each draws focus away from historical, biblical events.
3. They're preferred in public school over other "stories"
4. Both are taught to young children as truth.
5. Each is associated with a tree that has things attached to the branches. (1 has ornaments, the other missing links).
6. Both are animals that don't really exist.
