Let There Be Praise

And God said, "let there be light and there was light". As we teach the children the days of creation we emphasize God's great power. God's word is powerful; when He speaks it is accomplished. I often ask the children, if you had that power what would you say? Let there be...? One little girl, who attends Corinth Christian school in Jasper, Florida, responded, "**Let there be PRAISE**". Amen and Amen!

{Praising the Lord @ Antioch in Live Oak, FL.}

Not unto us, O LORD, not unto us, but unto thy name give glory, for thy mercy, and for thy TRUTHS' sake.

Choose Life ministries would like to thank and praise the Lord for all He has done for us. He has increased our ministry and provided for many more to be able to hear the message through two DVD presentations, one for adults and one for children. (See story back page). He has provided the projector for the children and youth presentations. Our calendar is filling up for 2009, and in every step of our travels He has supplied all our needs, and given us safety, help, and boldness to continue even in the face of opposition. Please continue to pray for us as we minister this summer out west. We are seeking opportunities to reach this area this summer

and next summer, even traveling as far as Alaska as the Lord leads. We are currently in Colorado and will travel to Wyoming and Montana. July, 08 dates are all open and we are seeking where God would have us to go. There is a famine of God's Word across our land and a desperate need for Truth to be proclaimed. We desire to have the courage and boldness to speak as God fills us with His word and we covet your prayers. Thank you for your continued support and especially for interceding on our behalf.

He will bless them that fear the LORD, both small and great. The LORD shall increase you more and more, you and your children. Ye are blessed of the LORD which made heaven and earth. Ps. 115

Indeed, the gates of hell will not prevail.

The gates of falsehood will flee in the presence of truth.

The gates of sin will melt in the presence of grace.

The gates of death will fall in the presence of the church, the People of Life!

FUTURE DATES FOR CLM

Life, Prayer, ACTION!

I believe there could be a window of opportunity this summer that God is calling us into with radical devotion to the cause. What would God have you do to intensify your involvement? Follow however He leads you, but at the very least pray daily for the nine Judges by name and contend for prevailing influence over their minds--Stevens, Ginsburg, Kennedy, Souter, Breyer, Scalia, Thomas, Alito and Roberts. Call for breakthrough for an empty seat to be opened--one that will be occupied by a judge that will uphold LIFE. Pray that the demonic grip on the

Court would be shattered decisively. And finally let the desire and cry of your heart be that Jesus would be glorified in our government and in our nation. These prayers are of utmost importance for the future of our nation. However, we also need to become active! In Ephesians 5:11, Paul's admonishment is to **ACTIVELY** reprove the works of darkness. We have seen many signs and bumper stickers from the pro-death side that say: "Don't Like Abortion? Don't Have One". But, what does Paul say in this verse? The command here is not simply to have no fellowship with the unfruitful

works of darkness, but the verse goes on to say **reprove those works**. Ezekiel 33:1-6 tells us to be "watchmen" This requires action! We need to let our prayer be this: God end abortion and send revival to America! But, we cannot stop there! We must accompany that prayer with the action to see it done.

Ephesians 5:11

Do not participate in the unfruitful deeds of darkness, but instead even expose them for it is disgraceful even to speak of the things which are done by them in secret. But all things become visible when they are exposed by the light, for everything that becomes visible is light.

A person is
a person,
no matter
how small.

Kristi Burton was only 19 years old when she began the process of putting a personhood amendment on the ballot in Colorado. One year later, she has succeeded in getting almost double the number of signatures needed to do so. Now, at 20, Kristi has already entered law school, and this brilliant young woman has a burning desire to work in defense of protecting

innocent human beings.

Konnie Carrie knew God called her to open a crisis pregnancy center in Carrollton, KY. The Haven of Hope Pregnancy Center started with a small meeting of approximately 10 people, and in just one year has grown to having an advisory council, board of directors and the support of 11 area churches.

Pregnancy centers across our nation are committed to sharing Christ to women in a crisis pregnancy. All services are free of charge. They also provide each client with accurate and complete information about both prenatal development and abortion.

What would God have you do to intensify your involvement?

" If a baby dies before it is born -- as in an abortion -- the woman who conceived it is still a "mother."

GOD'S WORD:

Life Begins at Conception:

Jeremiah 1:5 Before I formed thee in the belly I knew thee; and before thou came forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

Isaiah 44:24 Thus saith the LORD, thy redeemer, and he that formed thee from the womb, I am the LORD that maketh all things...

The blessings that have been POURED out over me have and still are far beyond anything that I could have imagined. For the first time in my life, I can truly say I have a Heavenly Father who loves and cares about me.

Testimony Of David L Walton Nature Coast Productions naturecoast@mac.com

I first met the Cullens when they came to my church to present their program. I had just recently re-dedicated my life to Christ, and had started to film our services (I own a small but growing video production company). I was so moved by the presentation and God placed it on my heart to help out, and so we videoed two of their presentations for adults and children. God promised me that if I would take this stand to support this ministry, that he would bless me. I made the decision to fully support this ministry by providing copies to them at no expense to help spread this urgent message. Almost at once I was stricken with equipment problems, my

health was attacked, and that will now lead to surgery. The enemy tried a full on assault to discourage me. I became even more determined than ever to help get this message out. The more attack I suffered, the more I came to depend upon God, and vowed that I would support them regardless of the obstacles. True to His Word, God has blessed my business; it is thriving and growing even in this economy. The blessings that have been POURED out over me have and still are far beyond anything that I could have imagined. For the first time in my life, I can truly say I have a Heavenly Father who loves and cares about me. I have spent the time

since then surrounded by the Holy Spirit and feeling God's loving arms holding me. I still cannot hear the song "He Knows My Name" without tears coming to my eyes. I will always love the Cullens for the message they brought. It was, and still is a source of inspiration. I pray that when you hear the message that you will be blessed even more than I am. Pray for Brother Doug and his family as they meet the enemy face to face every day. I pray that one day, they will be out of work, and NO more innocent lives will be lost. Until that day, I will continue to support Choose Life Ministries, and continue to serve an Awesome God until he calls me home.
