Choose Life Ministries

Calling America back to God.
Taking the Sanctity of Human Life message to the world.

March
16-23

God has instilled in us a sense of urgency. We feel in our hearts that this year, 2008, there will be a turning point. Either our Nation will turn back to God or we will turn further away from Him. The desire in our heart overwhelms us as we seek to share the message God has placed upon us with as many people (adults, youth, and children) as possible.

God has shown us that we need to see people as He sees them. Each person is a valuable treasure. Read the parables in Luke 15. Each one is a picture of our Lord: The man looking for His lost sheep; the woman searching diligently for her lost coin until she finds it; and the father watching daily for His prodigal son to return.

What Choose Life Ministries is all about is seeing people saved and won to the Lord Jesus Christ through the Sanctity of Human Life message.

The task before us can only be accomplished through the power of God, and only as we uphold the authority of scripture.

We covet your prayers & support.

Unto The Least of These. Matthew 25

Jesus said in Mt. 25:36, "for I was hungry and you gave Me food; I was thirsty and you gave Me drink... He goes on to say in Mt. 25:40, "inasmuch as you did it to one of the least of these My brethren, you did it unto Me".

I had the awesome but humbling opportunity, along the youth of FBC Walton, to visit a homeless shelter and serve about 80 homeless men in Covington, KY.

According to the director, each of the men who came there had made mistakes (drugs, alcohol, etc.) that had cost them their home and their family. As we served them their evening meal, God impressed upon me they were all someone's son, husband, or father. God showed me that He created them ALL in His image, which gives them the same value as everyone else in God's eyes. It is a lesson and

message God inspired me to share with them. As I spoke I cannot express the look in their eyes of no hope, and no value. Many came forward after the service and said they never knew they had value in God's eyes. I also had the opportunity to share the good news of the gospel one on one with a couple of the men.

We hope to share at more homeless shelters in the future; please pray for God's will in this ministry.

***I the LORD have
called you...,
to bring out the
prisoners from
the prison, and
them that sit in
darkness out of
the prison house.***

In my opinion Dare 2 Share was one of the most amazing things to experience. Seeing what happens when you get over 4000 youth together in one room worshiping God; Its awesome! I just wish all of you reading this could have been there, because I know you would have been blessed. One of the events we did at Dare 2 Share was go out with our youth groups into the community and ask for cans of food for the Salvation Army.

We would then proceed to witness to the people, and I have to say, that was probably the best part of the whole trip. Just getting to share the love of Jesus with the people we met, and hearing some of their testimonies was a blessing. I personally got to stand with my group of 4 youth in a circle and pray with a man on his porch. If you truly want to feel God working, get out there and **Dare 2 Share.** [Crystal Cullen]

Pro-Life T-Shirt Day
(www.abort73.com)

This year there were more than 225,000 people who gathered in Washington DC on Jan. 22 to affirm the value of human life. The crowds consisted of **50% youth**, and **80%** under the age of 25. To get the full impact of this event go to www.youtube.com and watch a documentary

video. It will take less than 1 minute and will totally challenge you, and may even make you cry to see such an outpouring of God's Spirit on our youth as they stand for life! Over 1/3 of their generation has been lost to abortion. They have been lied to and have been led to believe that

their existence is meaningless, and there is no hope. God is calling out to their generation, and an overwhelming number are responding to that call. We desire that God would use us to reach even more youth, who will then reach even more of their generation.

CHOOSE LIFE MINISTRIES' NEWS

We have been very busy since our last newsletter. We spent the month of December in Western, KY and had the opportunity to speak at 7 churches and also joined Hell is Real ministries (www.myspace.com/hellisreal) as they ministered at a local prison. We also attended an abstinence conference and spoke to some ladies who were just beginning an abstinence program in the schools. We traveled to Colorado to spend the holidays with

Joli's mom, who is battling cancer, then returned to N. KY the 28th to finish the month speaking at FBC Walton, KY. We would like to especially thank them for the apartment that we were able to use while we ministered in the area January through March.

We have traveled the winding road here in

N. KY, & S. OH speaking at 23 churches in the area. It's been an adventure finding our way. Our GPS will confidently announce "you have reached your destination", except the only thing there, was a thicket of trees. Last Sunday We met up with a passing vehicle and asked them for help as we had lost our way. We all had a good laugh as Doug asked the other man, (a pastor) "oh, are you lost too?"
