Sharing a Biblical World View of LIFE

*I call heaven and earth
to record this day against you,
that I have set before you life and death,
blessing and cursing: therefore choose life,
that both thou and thy seed may live.

OUR MISSION? GO!

We travel across the nation and proclaim the truths of God's Word, seeking to build a culture of LIFE, where all people are welcomed and valued and protected, especially those who live at the mercy of others. The call is to the church; to educate and equip the church (the body of Christ) to uphold biblical truth and to uphold life. We are seeking opportunities to share the message God has given us.

We believe that real change will not come through Washington DC, but real change will happen in our nation when the church begins to uphold the Word of God and the Sanctity of Human Life. The church needs to affect the culture instead of the culture affecting the church.

The Call ~In 2005 God called Doug and his wife Joli and three of their children, Cliff, Caitlyn, and Crystal, to travel and share a biblical world view of LIFE. Doug had just graduated from Clear Creek Baptist Bible College, and the family began traveling as Choose Life Ministries, a faith based organization. Doug would speak to the adults, Cliff shared with the youth, Caitlyn shared in sign language and song and also with the children's ministry, and Crystal also helped with the children's ministry.

Choose Life Ministries just finished their eighth year of ministry and has spoken in over 900 churches. Today Doug and Joli Cullen continue to travel and share the message God has given them to adults, youth and children.

Their children are now active in the ministries and work God has called them to.
