

Mercy, Not Change

The cry for "change" was greater than the cry for "mercy." As His people, we need to cry out to God for mercy according to 2 Chronicles 7:14.

Most of you know, but for those who do not, we are facing the most pro-abortion administration in our nation's history, even more so than President Clinton. While he was in office, he removed the ban on partial birth abortion and he pushed for the approval of the abortion drug, RU-486, which has been linked to several women's deaths (www.lifeissues.org/ru-486).

Here is a quote from a letter sent to Clinton from one of the attorneys of Roe v Wade. This attorney urged Clinton to push RU-486 in order to, "start immediately to eliminate the barely educated, unhealthy, and

poor segment of our country," in hopes of fostering a "better educated, healthier, wealthier population" (CWA Jul-Aug 2006/watch dog group Judicial Watch). The first proposal for the Obama administration is the "Freedom of Choice Act", which will be a federal law allowing abortion in all 9 months of pregnancy without any restrictions. It will nullify any and all state and federal laws that currently protect the unborn.

The battle for the sanctity of human life will be tougher; our resolve, as Choose Life Ministries, to win this battle is stronger. We want to thank you for your prayers and support, without which, we would not be able to defend the most defenseless amongst us.

The following is a quote from Bryan Kemper of Stand

True Ministries
(www.standtrue.com).

"If change is what they want, then we shall give them change. We will destroy and deny the apathetic spirit that has had a hold on this generation for too long. We will raise our voices louder than ever before until we see the end of this abortion holocaust. We will share the only true Hope for this world without shame or fear. We will not chant "yes we can" but rather "yes we will". We will believe what God promises us in Philippians 4:13 - "I can do all things through Christ who strengthens me".

We are humbled and honored to be able to serve God in this ministry. We know that it is by His providence and power that we can continue on. Praise His name. {2 Cor. 4:6-10}

"If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and forgive their sin, and heal their land."

LIFE

The Beginning
Jesus is Creator
(John 1:1-3, 14).

LIFE

The End
Jesus holds the key to death, hell & the grave.
(Revelation 1:18).

LIFE

The Gift
Jesus died on The cross
(John 3:16).

LIFE

Eternal
Jesus Resurrected
(Matthew 8:5, 6)

Unto us a child is born, unto us a son is given, and the government will be upon His shoulders; He shall be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace.

Future Generations

Psalm 127:3 says that children are a heritage of the Lord and the fruit of the womb is His reward.

Luke 12:6-7 tells us that not one sparrow is forgotten before God. What about each child? Do we not fear God? My greatest fear concerning our nation is for the future generation. They are growing up in a society where life is expendable. Not only are the unborn, but many children across our nation, are simply discarded. That is where the loss of Sanctity of Human Life leads. We want to reach America's children and youth

with the TRUTH of God's Word; sharing with them a message of life, hope, love and the gospel of Jesus Christ. They are our future.

I wish that each of you reading this right now could see the faces of the children we meet. They are hungering for words of truth, hope and especially love. I wish you could have seen the youth the day after the election as they knelt down together at the altar weeping for our nation.

Merry Christmas

Good News to Share!

Choose Life Ministries has some good news to share. We were thrilled to hear how God intervened in the life of a precious baby at *Jackson Grove Church* in Bowling Green, KY. Over and over the doctors pressed the parents to abort, since the baby showed signs of serious deformities in the brain. The neurologist even said, "What would the baby want". I have never heard of any doctor asking what the baby's choice would be. The baby was a little boy and he was born with some minor brain deformity, but nothing as the doctor's feared, and he will be able to lead a normal life. With God all things are possible!

Cumberland Mtn. Fall Festival Oct. 3, 2008

Choose Life Ministries was blessed to have the home school group H.O. M.E. join in helping to share the Sanctity of Human Life message with all ages this past October at the Cumberland Mountain Fall festival. It was great to have a full ministry team! They ministered with puppets and sign language; each student used their talent and special giftedness. Thank you!

Thanks for Teaching Truth without Compromise by Bryan Griggs

About 2 years ago, Brother Doug and I were discussing the plans for his ministry to come and speak at Macedonia Baptist Church (the church where I pastor). In that discussion, the topic of a literal six day creation came up. I had not done any real in-depth study on the , but had recently read some material that leaned more in the other direction, so I declined the offer for his son to teach the youth. I never doubted that the sovereign God of the universe indeed did create the heavens and the earth, but I did not see a problem in believing that God could have taken longer than six literal days. I reasoned from 2 Peter 3:8, "that one day is with the Lord as a thousand years, and a thousand years as one day." With this in mind, it was not a problem for me to believe that God created the heavens and the

Praise His name. One common desire that we have seen among God's people is the cry of 2nd Chronicles 7:14 for our nation. Many, many people have responded to the message and prayed at the altar as the Holy Spirit has been moving. There has been a change of heart concerning the issue of abortion among several. The Holy Spirit has given us assurance that many babies' lives are being saved! We would like to let you know that a very "pro choice" lady made a complete turn around concerning "life" and now has joined the fight to protect the unborn! Praise the Lord! Doug would like to let you all know

We have been very excited as God has given us so many more opportunities to share with youth and children. Cliff has been speaking while in Eastern KY, and traveled to Western KY, for 5 days in which he spoke to 3 youth groups and also at Job Corp. God used him to lead a young man to the Lord (please keep Tyler in your prayers). Ben Harr, also a student at Clear Creek, traveled with Cliff and has been a tremendous help. In fact, we had several volunteers from Clear Creek help in the ministry. Thank you all!

Cliff and Caitlyn will join us over Christmas, and our calendar is full right through the New Year. Since September we have spoken to 397 youth and 378 children, Praise the LORD!

We are only able to reach the next generation because of your continued support and prayers. Thank You!

earth in thousands of years.

However, this August my family and I went to the *Creation Museum* outside of Cincinnati, Ohio, and heard sound arguments for a literal six day creation. I learned that if you examine closely the genealogy listed in Luke 3 you will discover that there are approximately 4000 years from Adam to Jesus, and of course from Jesus to present day is about 2,000 years.

Thus, the Bible shows that the creation is approximately 6,000 years old. This proves that God could not have taken thousands of years to create the heavens and the earth but only six normal days.

I want to thank God for teaching me this and for allowing Brother Doug to be so kind and patient with me even when we originally disagreed on the matter.

how much he appreciates your prayers and encouragement for him and his family in the loss of his brother-in-law Cleve, his sister's husband. Cleve Gregory passed away Oct. 30th after battling bone cancer. He will be greatly missed. \$250 was donated in Cleve's name to CLM.

In times like these it is so comforting to know the hope that we have in Christ. Cleve believed on the Lord Jesus and now dwells in heaven where God has prepared a place for each of His children. Through the blood of Jesus Christ, and His sacrifice we have hope. {Praise the Lord! 20 accepted Christ at the funeral!}

On our knees,
We beg and plead
For the perfect world
We think we deserve.
Unborn babies' last breath,
A whisper in black darkness.
A lover's nest,
When men go hand and hand,
Forgotten truths,
Power's lies,
Leaving innocent millions to die.
Standing up
Was never our option,
Sitting down
We all did in caution.
A love for you,
A love for me;
Black and white society
We may never see.
Hating, bashing,
Destroying one another,
To get to the top
Of this tower we built.
The hour has come,
The choice was made,
A choice we all have to pay.
Now we lay
In this darkness every night,
Fear of living our
"Christian" life.
Everyday closed up
From the hate,
Looking out our windows
Seeing what
We ourselves did create,
This world we wanted
But has now sealed our fate.
