

The LORD hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee. Jeremiah 31:3

## Everlasting Love Praises

### It's in the Works! Nick Vujicic coming to the Vail Valley in Colorado in 2020!

“Nick Vujicic is the man born without legs or arms, who praises God despite his *unfair* portion. I felt strongly that I should look into having Nick come speak at our Valley, because of the high teen suicide rate. Plans are now in the works for Nick to come to our Valley to speak in 2020! Praise God! I'm so grateful for Doug and Joli's heart for God and steadfastness - it has been a great source of encouragement to me and my daughters.” Written by Heather, one of the attendees at the Women's Ministry meeting at FBC Gypsum.

### Revival Services at Granby Baptist Church ~ God is on the Move!

We had good attendance, despite the driving rain and some snow, and God brought comfort to one lady whose husband was terminally ill. God encouraged us as well, with the testimony of a youth camp in the mountains that was the result of many Christians working together and trusting in the LORD to provide! Nothing is impossible with God!

### Hannah, Joli's niece, born April 2, 2019.

Every child is a gift from the LORD (Psalm 127:3). For several years, Joli's sister longed for a child. She read the story of Hannah in the Bible, and cried out to God, just as Hannah did, hoping God would fulfill her desire. He did, giving her a beautiful baby girl.

**Good News!** A growing number of city councils across the country are considering proposals to become “**sanctuary cities**” for **preborn children**. This would involve:

- 1) A statement affirming the value of all human life and that life begins at conception.
- 2) A commitment to assist pregnant women in their city, particularly those with unintended pregnancies.

## More Praises

♥ In 2017, baby Reed contracted a simple cold virus that attacked his heart. Many times it was touch and go, but we kept praying, and asking others across the USA to pray. Today, Reed is a thriving 2 year old boy!

Reed at 2 year old.

*"No, I am not strong, or special, or particularly brave. I am just a mom leaning into a God who is so much bigger than my hard journey. ♥"*

♥ Praise and prayer for baby Remington who has a life threatening condition known as HLH. When I started writing this newsletter, Remington was fighting for her life, but the latest update we received was great news! Her blood work came back at 100% and her body accepted the bone marrow transplant! Praise the LORD!

## Prayer Requests

### **Remember Every Unborn Life Lost in the USA to Abortion.**

This was the focus of the Women's Ministry Meeting at FBC Gypsum, where Joli had the opportunity to speak. Pastor Steve and his wife Kim visited the London Tower where over 880,246 poppies filled the moat (picture left). Each poppy was placed there to remember a British WWI soldier who had died. If you multiply

the number of poppies by 68, it will give you the number of lives lost to abortion! The numbers are staggering. More states are making abortion legal up to the time of birth. **Now, more than ever, we need to be united for LIFE, pray fervently, and take a stand.**

### **Pray for Open Doors and Open Hearts.**

#### **Upcoming Dates of Travel and Speaking**

- July 2019: East Kentucky
- August 2019: Shelby, NC ~ Revival
- September 2019: North & South Carolina
- October & November 2019: West Kentucky
- 2020 Dates in FL Keys, Maine & Ohio

† **Pray for Choose Life Ministries** for provision and opportunities to share the message.

† **Pray for Revival**

† **Nick Vujicic coming to Vail Valley in Colorado.** Pray for the details to be worked out and for God to prepare the hearts of all who will come. Also pray for our youth who need to know that life is precious.

† **For the recent laws protecting the unborn to be upheld, and more states to pass laws stopping abortion and its destruction of lives.**
